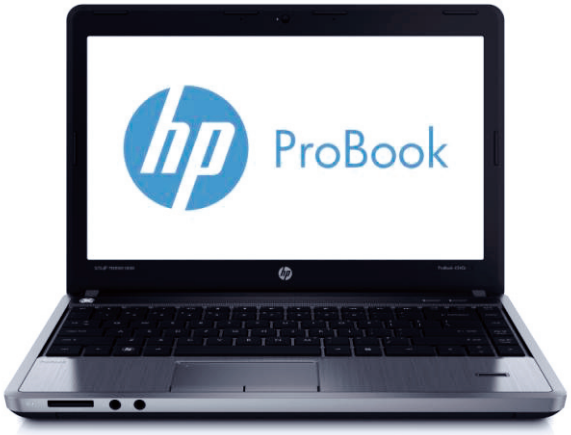
ProBook 4440s Notebook PC

Your business partner



Optimized for Genuine Windows® 7,[4] this notebook is ideal for SMBs. It offers multimedia tools, easy-to-use security, and aluminum casing for added protection.

HP recommends Windows® 7.

Equipped to get the job done

This business notebook combines Intel technology and various wireless capabilities[12,24] with a 14-inch diagonal HD[1] display.

Protection inside and out

The aluminum casing offers extended durability to keep up with mobile use. The smudge-resistant and wear-resistant HP DuraFinish keeps the metallic gray color looking polished.

The spill-resistant keyboard helps protect sensitive electronics and key components from minor spills with a thin layer of Mylar film under the keyboard.

Accidents happen. HP 3D DriveGuard[8] helps protect your laptop's hard drive against impact, bumps and drops so your data has enhanced protection.

Easy-to-use yet robust security features safeguard your data from unauthorized users. From requiring a fingerprint swipe to Face Recognition,[23] your notebook is protected.

Mix business with pleasure

Watch training videos at work and enjoy your favorite flicks at home—all thanks to the pre-loaded multimedia software. Use the HDMI port to plug into a large display at home, while running a movie downloaded to your notebook.[2]

Face time counts. The HD Webcam[1,9,17] helps you connect virtually to colleagues and family members when you can't be there in person. Add edge to your presentations or initiate your webcam and do personal photo editing and video recording with the ArcSoft Total Media Suite.

After a long day at work, relax to crisp tunes coming directly from your business notebook and SRS Premium Sound.

Whether you're looking for a highly portable notebook, a laptop with a large display or somewhere in between, this laptop computer answers the call.

ProBook 4440s Notebook PC

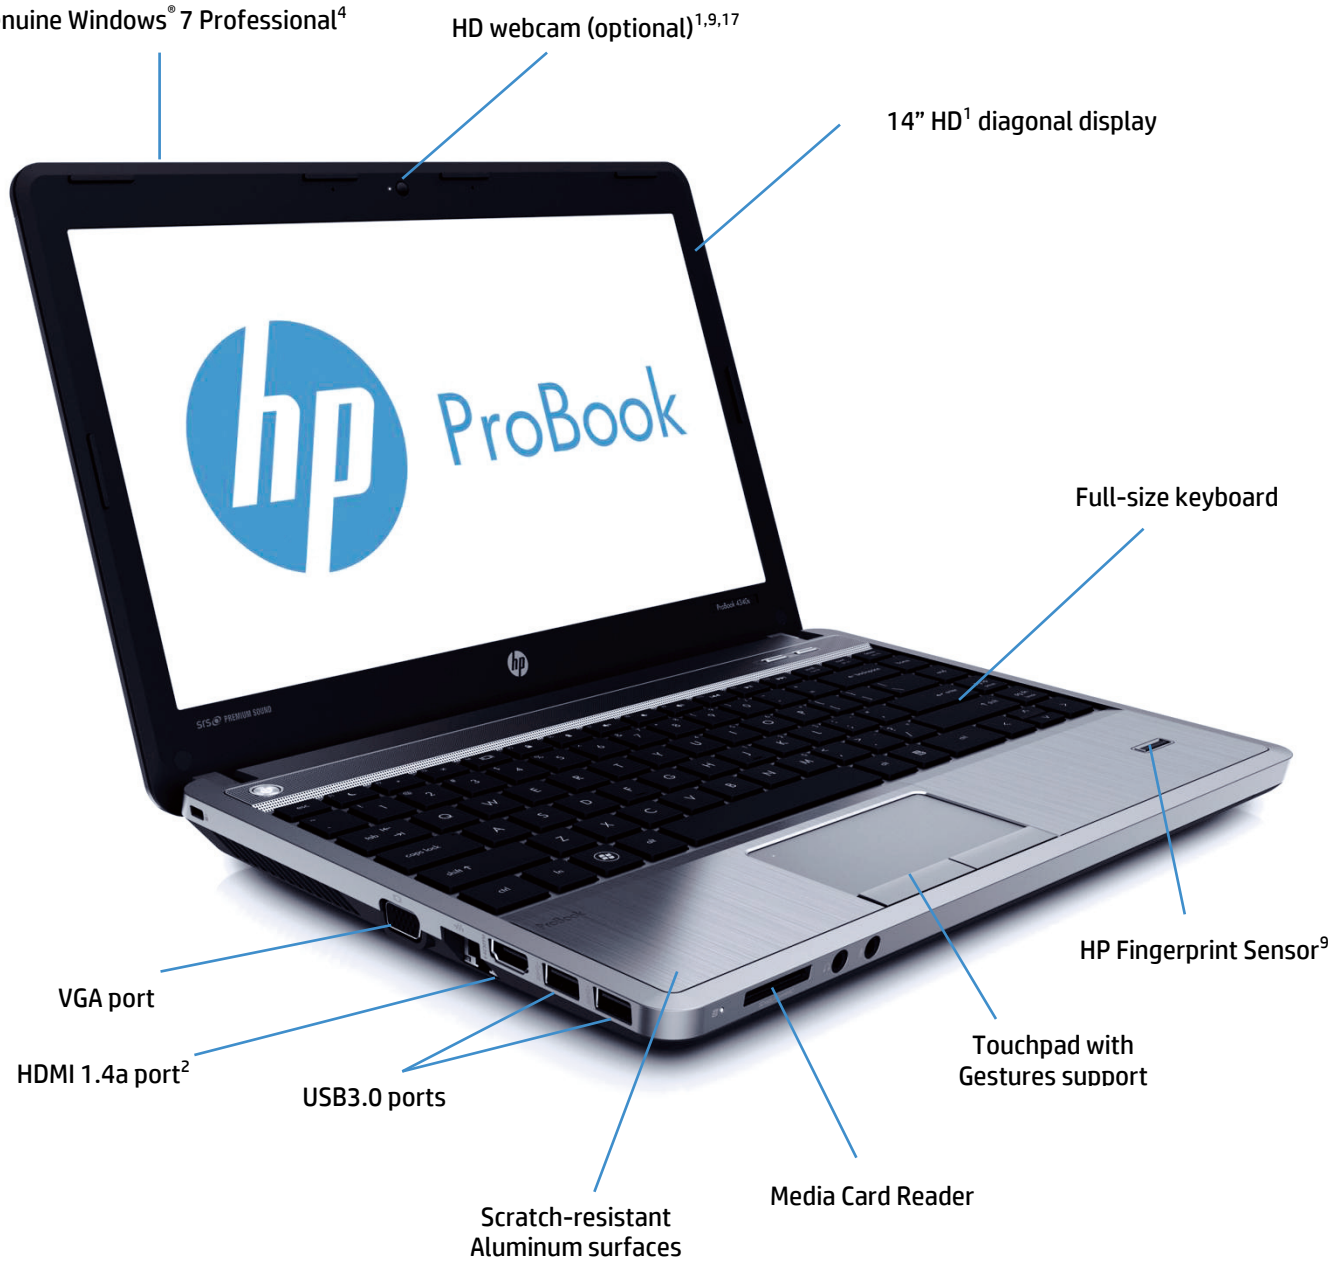
HP recommends Windows® 7.

SPECIFICATIONS

Operating system	**Preinstalled:** Genuine Windows® 7 Professional 64[4] Genuine Windows 7 Home Premium 64[4] Genuine Windows 7 Home Basic 64[4] SUSE Linux Enterprise Desktop 11 FreeDOS	**Supported:** Genuine Windows 7 Professional 32[4] Genuine Windows 7 Home Premium 32[4] Genuine Windows 7 Home Basic 32[4] Genuine Windows XP Pro **Certified:** Microsoft WHQL
Processor	3rd Generation Intel® Core™ i7, i5, and i3;[21] 2nd Generation Intel® Core™ i5 and i3;[21] Intel® Celeron®	
Chipset	Mobile Intel® HM76 Express	
Memory	DDR3 SDRAM, 1333 MHz, two slots supporting dual-channel memory,[7] 2/4 GB SODIMMs, up to 8 GB total[5]	
Internal Storage[6]	320/500/750 GB 7200 rpm SMART SATA II HDD; 320 GB 5400 rpm SMART SATA II HDD; HP 3D DriveGuard[8]	
Removable Storage	Fixed 12.7 mm SATA optical drive: DVD+/–RW SuperMulti DL Drive,[9] Blu-ray ROM DVD+/-RW SuperMulti DL Drive[9, 10]	
Display	14" diagonal LED-backlit HD[1] anti-glare (1366 x 768)	
Graphics	Integrated: Intel® HD[1] Graphics 4000 (3nd Generation Intel® Core™ i7, i5 and i3);[21] Intel® HD[1] Graphics 3000 (2nd Generation Intel® Core™ i5 and i3,[21] Intel® Celeron® configurations)	
Audio/Visual	High Definition Audio (SRS Premium Sound), stereo speakers, single integrated digital microphone or dual array microphone on models with optional HD Webcam[1, 9, 17]	
Wireless Support	HP un2430 EV-DO/HSDPA Mobile Broadband Module (Gobi™ 3000);[9,12,24] 802.11b/g/n[13] 1x1, 802.11b/g/n[13] 1x1 with Bluetooth® v4.0 combo , 802.11a/b/g/n[13] 2x2 with Bluetooth® v4.0, Intel 802.11a/b/g/n[13] 2x2 with Bluetooth® v2.1 (on Linux operating system)	
Communications	Realtek 10/100/1000 Ethernet Controller	
Ports and Connectors	2 USB 3.0 ports, 2 USB 2.0 ports, 1 HDMI 1.4a,[2] 1 stereo microphone input, 1 headphone/line out, 1 RJ-45 (Ethernet), 1 power connector	
Expansion Slots	Multi-media Reader Slot supporting SD, SDHC, SDXC, MMC, MMC+, Memory Stick	
Input Devices	Full-sized, spill-resistant keyboard, touchpad with scroll zone and gestures support; numeric keypad power button, 2 launch buttons (Web browser, WLAN)	
Software (Windows OS only)	HP Recovery Manager; HP Support Assistant; HP Quicklaunch Buttons Software; HP Web browser; HP Power Assistant;[14] HP Connection Manager; HP Wireless Assistant; ArcSoft Total Media Suite; Microsoft® Office Starter: reduced-functionality Word and Excel only, with advertising, no PowerPoint or Outlook. Buy Office 2010 to use the full-featured software;[15] WinZip Basic; Evernote; Adobe® Flash; Skype-ready,[22] PDF Complete Corporate Edition Custom Integration Services provides tailor-made, turnkey solutions for Business Ready PCs.	
Security	Standard: HP ProtectTools, Drive Encryption for HP ProtectTools, Credential Manager for HP ProtectTools,[25] HP ProtectTools Security Manager,[8] HP SpareKey, File Sanitizer for HP ProtectTools,[19] Pre-Boot Security, HP Face Recognition,[18] HP Disk Sanitizer,[19] Lock slot Configurable: HP Fingerprint reader Optional: Intel® AT (requires a Computrace subscription)[3]	
Dimensions (w x d x h)	13.35 x 9.27 x 1.10 in 33.9 x 23.5 x 2.8 cm (at front)	
Weight[11]	Starting at 4.85 lb (2.20 kg) with optical drive (weight will vary by configuration)	
Power	9-cell (93 WHr) Lithium-Ion battery, 6-cell (47 WHr) Lithium-Ion battery; 65W HP Smart AC Adapter (integrated graphics); HP Fast Charge[16]	
Expansion Solutions[9]	HP USB 2.0 Docking Station, HP Essential USB Port Replicator, HP LAN and USB Travel Hub	
Warranty	Limited 3 year, 1 year and 90 day warranty options available, depending on country, 1 year limited warranty on primary battery. Optional HP Care Pack Services[9,20] are extended service contracts which go beyond your standard warranties. For more details visit: hp.com/go/lookuptool.	

ProBook 4440s Notebook PC

HP recommends Windows® 7.



1. HD content required to view HD images.
2. HDMI cable sold separately.
3. Intel® AT security requires a separately purchased Absolute Computrace service subscription and must be activated and configured. Check with Absolute for availability in your country. Intel and HP assume no liability for lost or stolen data and/or systems or any other damages resulting therefrom. See intel.com/technology/anti-theft
4. This system may require upgraded and/or separately purchased hardware to take full advantage of Windows 7 functionality. Not all features are available in all editions of Windows 7. See microsoft.com/windows/windows-7 for details.
5. Maximum memory capacities require Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
6. For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 15 GB (for Windows 7) of system disk is reserved for the system recovery software.
7. Dual Channel is only supported when the system is configured with DDR2 symmetric memory (i.e. 2x256).
8. Microsoft Windows required.
9. Sold separately or as an optional feature.
10. Blu-ray is a new format containing new technologies, certain disc, digital connection, compatibility and/or performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. In order for some Blu-ray titles to play, they may require an HDMI digital connection and your display may require HDCP support. HD-DVD disks cannot be played on this drive. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided – Version 1.0 media. Actual speeds may vary. Don't copy copyright-protected materials. Double Layer discs can store more data than single layer discs; discs burned with this drive may not be compatible with many existing single-layer DVD drives and players.
11. Weight varies by configuration and components.
12. Wireless use requires separately purchased service contract. Check with your local vendor for coverage area and availability in your area. Connection and speeds will vary due to location, environment, network conditions, and other factors.
13. Wireless access point and Internet service required. Availability of public wireless access points limited.
14. Power calculations and cost calculations are estimates. Results will vary based on variables, which include information provided by the user, time PC is in different power states (on, standby, hibernate, off), time PC is on battery or AC, hardware configuration, variable electricity rates and utilities provider. HP advises customers to use information reported by HP Power Assistant for reference only and to validate impact in their environment. Environmental calculations were based on U.S. EPA eGrid 2007 data found at epa.gov/egrid. Regional results will vary. Microsoft Windows required.
15. Includes reduced functionality versions of Word and Excel. Purchase of Product Key required to activate full Office 2010 suite available at participating resellers/retailers and office.com.
16. Fast Charge Technology recharges your battery up to 90% within 90 minutes when the system is off. Fast Charge Technology does not apply to the 9-cell battery. When the PC is powered on, charge time may increase and will vary based on the workload of the notebook PC.
17. Internet access required.
18. Microsoft Windows and webcam required.
19. For the use cases outlined in the DOD 5220.22-M Supplement.
20. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit hp.com/go/lookuptool.
21. Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
22. Internet connection is required.
23. Requires Microsoft Windows and webcam, as well as user's mobile phone set up.
24. WWAN is sold separately on the HP ProBook 4440s Notebook PC. Wireless use requires separately purchased service contract. Check with your local vendor for coverage area and availability in your area. Connection and speeds will vary due to location, environment, network conditions, and other factors.
25. In order to deploy and receive updated policies, the client needs to be connected to the network server and requires separately purchased DigitalPersona Pro software. System access may not prevent users from logging into the system on the first attempt if policy updates haven't yet been received and applied. Requires Microsoft Windows.
